# GIVE ME 5

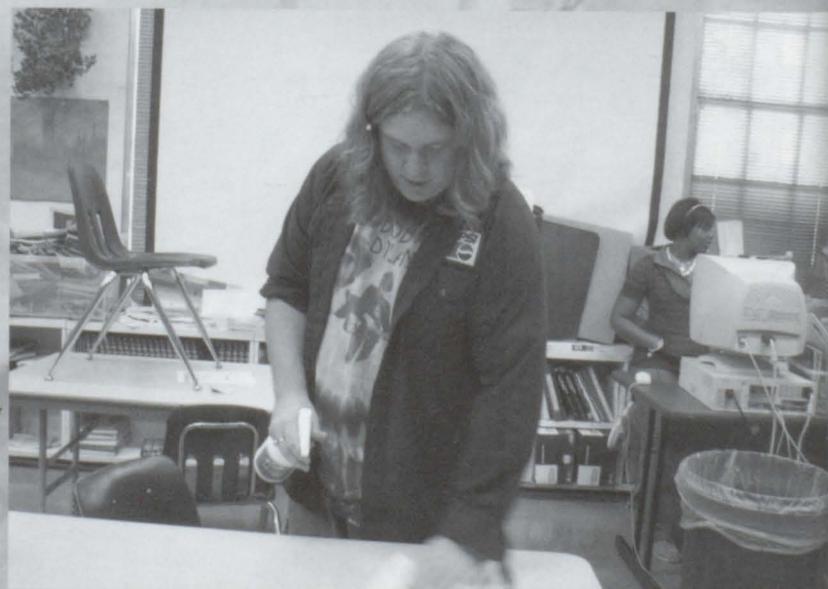

**Jordan Archer is doing her share by helping with the trash.**

Codie Rice shows his appreciation by stacking up the newspapers.

Mike Messina helps by sweeping the hallways.

Jack Kish is helping by cleaning the tables in the art classroom.

For several years now the students are required to participate in a community service project. The students were to give up five hours of their school year by volunteering to help better the community. In doing community service the students not only did a good deed and had a great experience from it, they also helped their community as well.

# EXPRESS YOURSELF

This past year the students were asked a question that everyone could have had an opinion on..."How do you feel about Mr. Raybon being the Assistant Principal?" Many students and teachers were polled and all seemed to agree.

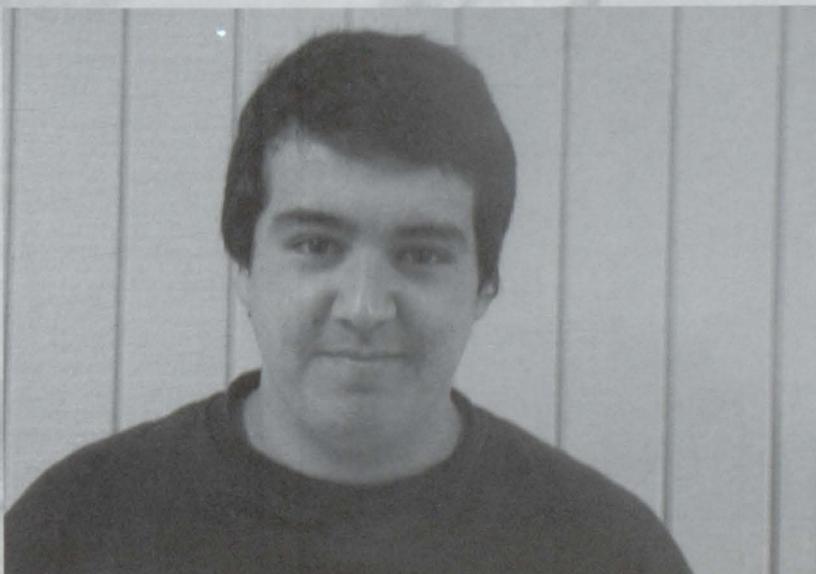

"I really like the fact that he is the assistant principal because he is always there when I need him; and even before he became assistant principal he always helped me then."

Math Teacher-Mrs Cabrera

I think he is doing a good job by keeping the school in order and making sure the students are in class on time." Barbara Czesleba

"I think it's a good idea that he is the Assistant Principal because he is keeping everybody in class and keeping the students out of trouble." -Keonna Washington

"I like the fact he is the assistant principal because personally I've known him since he was a math teacher and now he is the Assistant Principal..I really like it"-Mike Messina

# SCHOOL SPIRIT

Getting ready for games, homecoming, and pep rallies are only a few ways that the students at MHS showed their school spirit. Many students expressed their spirit by dressing up for homecoming and supporting the bulldogs by coming to games and events. This year we had many spirited students and this made our school a wonderful, spirited place.

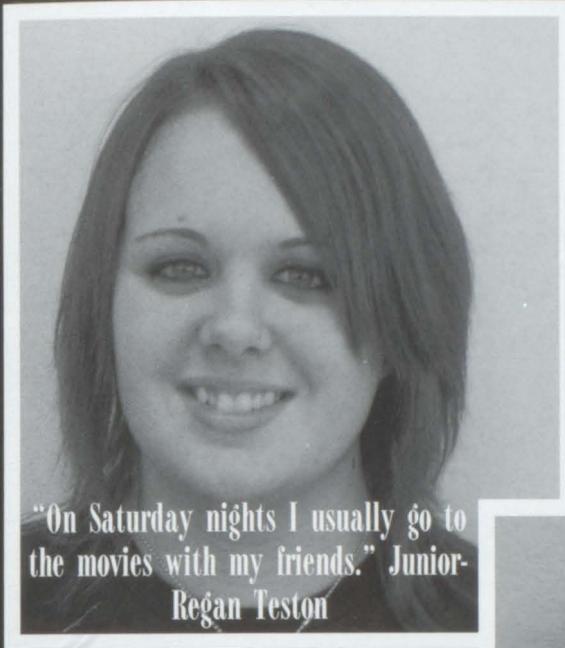

The junior class are showing their skit to the judges as they dress tacky for the tacky day events following homecoming.

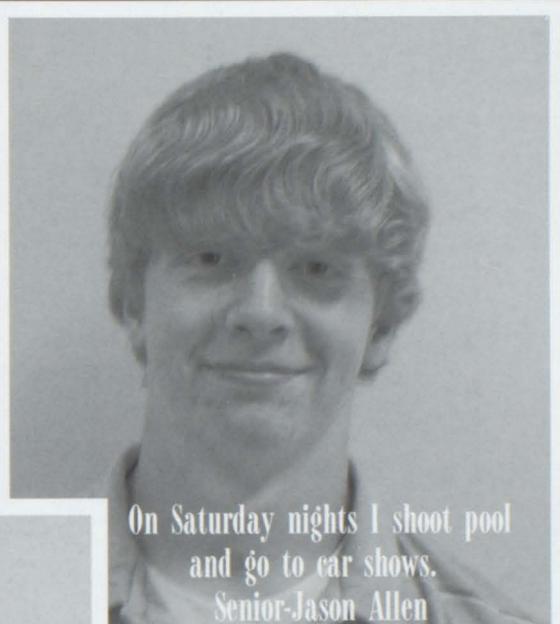

The freshmen class show their spirit by dressing as babies for generation day on the homecoming agenda.

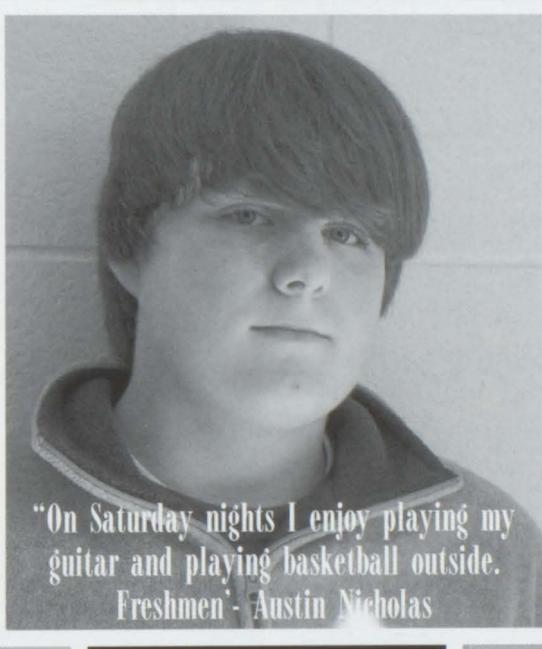

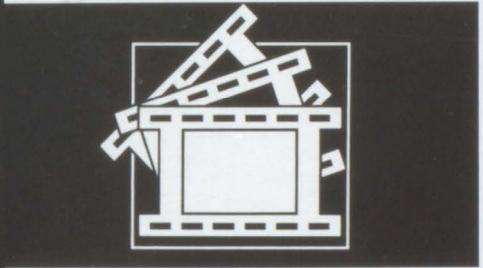

# SATURDAY NIGHTS

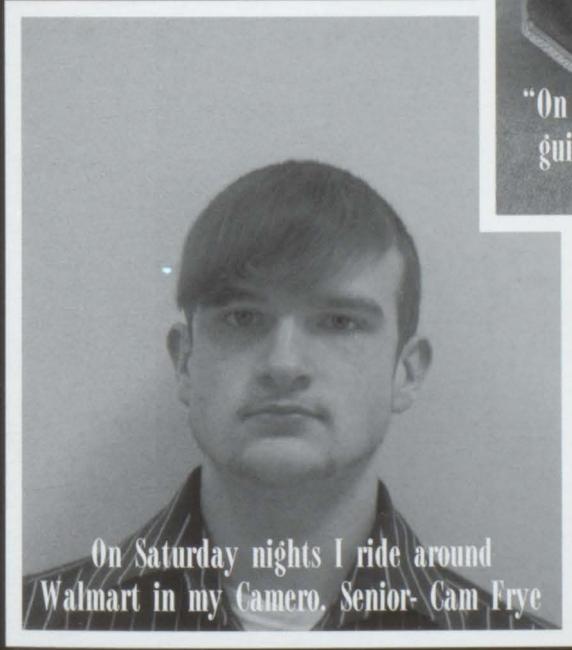

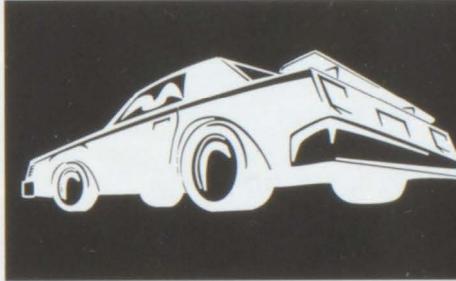

"On Saturday nights I usually go to the movies with my friends." Junior-  
Regan Teston

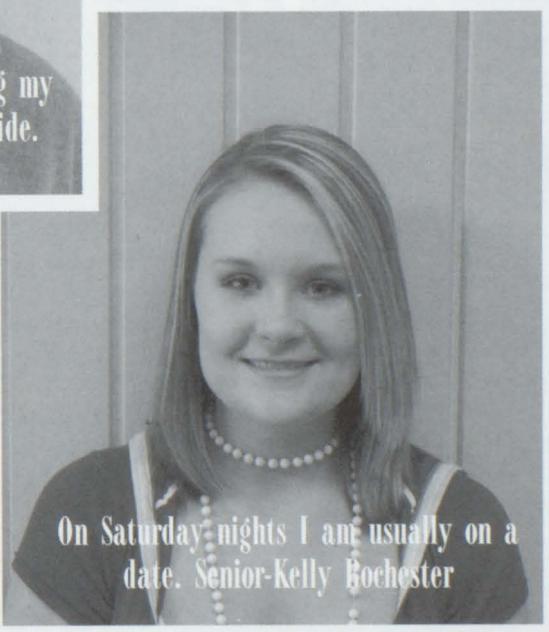

"On Saturday nights I shoot pool and go to car shows." Senior-Jason Allen

"On Saturday nights I enjoy playing my guitar and playing basketball outside." Freshmen- Austin Nicholas

"On Saturday nights I ride around Walmart in my Camero. Senior- Cam Frye

"On Saturday nights I am usually on a date. Senior-Kelly Rochester

# Homecoming

Amanda Gwin is showing her freshmen spirit during tacky day of Homecoming Week.

Bo Bolton and Marq Nelson competing in the Big Wheel Race at the pep rally.

Bulldogs dominate West Blocton to win the game 47-35

Ms. Lapsley giving it her all in the faculty football throw at the pep rally.

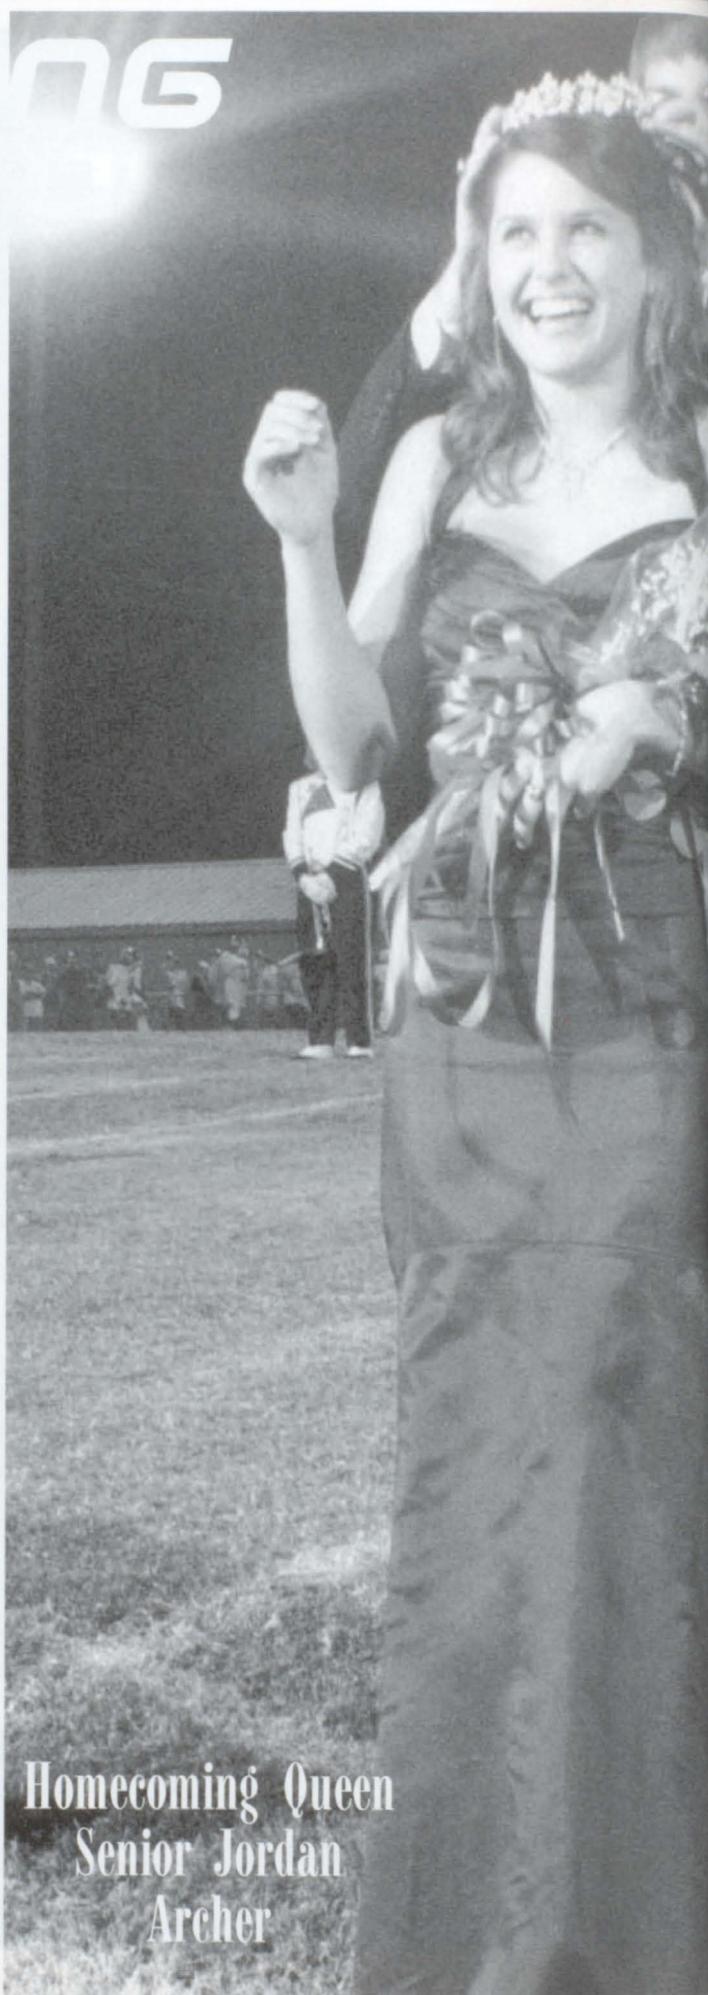

Senior football players showing their school spirit to pump up the crowd.

Derek Nelson, Tiffany Cunningham and Marcus Hood showing their "Senior Style" for tacky day during Homecoming Week.

Kim Boyd, as the Bulldog Mascot, cheering on the crowd at the pep rally.

## JUDY SIMMONS

### PRINCIPAL

" It is an honor to serve as principal at Montevallo High School. We have a highly qualified and dedicated faculty who are committed to helping students reach their maximum potential. We will continue to implement the latest research in best educational practices while still maintaining a school climate that is rich in tradition and history."

### ASST. PRINCIPAL

"It is a privilege to serve as Assistant Principal at Montevallo High School. The faculty and students have made my transition to continue to work with Mrs. Simmons and the teachers to provide our students a safe and effective learning environment."

## VARSITY FOOTBALL

The Montevallo Bulldogs got prepared for the 2007 season

with an invigorating spring training followed by after school practice everyday to keep in shape. Once the games begun the boys hoped all their hard work and dedication would pay off. Throguhout this season these boys had some moments to cherish. The varsity football team ended their season with a 4-6 record.

Coach King gathers the team together to have a talk with them during a time out in the game.

The girls are getting ready to show their talent off by doing a cheer during half-time.

# Cheerleaders

The Montevallo Varsity Cheerleaders had a fun-filled year. Coach, Nan Franks took the girls to UCA Cheer Camp at the University of Alabama at Birmingham over the summer where the girls took the first place spot in Camp Championships, received all blue superior ribbons, and won a spirit stick. They had five girls try out for All-Stars: Juniors-Jessica Goolsby, Jordan Parker, and Monica Staffney, Sophomore- Elisssha Bennett, and Freshmen-Chelsey Wilson. Throughout the year the girls traveled to every football game. They also cheered at the girls and boys basketball games where they got to show their talents during quarter changes and halftimes. "We had a very young and hard working squad this year and I am so proud of all of their accomplishments," Quoted Coach Nan Franks. At the end of the year everyone was upset that the year had to end, but they were excited to know that they, once again, have upheld the reputation MHS Cheerleaders have always had.

The Lady Bulldogs' volleyball team posted one of the most successful seasons in school history, advancing to the Elite 8 in Pelham before eventually losing to Danville in the quarterfinals. Montevallo finished the season with a record of 30-1, led by returning starters Jordan Archer, Brittany Landers, Brittany Bristow, and Kylie Stansell. Joining them in the starting lineup were MHS newcomers and sisters Haley and Hope Anderson. Head Coach Tena Niven was named Shelby County Coach of the Year by both the Birmingham News and the Shelby County Reporter. Senior Jordan Archer was named First Team All-Metro by the Birmingham News, while she joined teammate Brittany Bristow as an Honorable Mention All-State Selection.

# DIVISION

"I have never believed any of this should be about me; I don't have that kind of ego. I believe this process is all about you and your music. It is often remarked, however, that a Band is a reflection of its Director. Honestly, there are often times I see reflected in you my own image. My own bad jokes, my own inconsistencies and insecurities, my own frustrations and fears. These are not altogether bad things, for if they are true; there is also reflected in you my own great Passion for music.

My own commitment to excellence. There must be reflected in you my own sincere dedication to this band program, not only to preserve a long legacy or to foster a flourishing future; but to marvel in a miraculous right now! If the Band is truly a reflection of the Director, my belief in you will be reflected as you believe in yourselves. And still not for my sake, but for yours!

**Troubadour Pride!" - Chris McMillan, Band Director**

## STUDENT COUNCIL

# KEY CLUB

Key Club is a organization that specializes in the needs of the community. For years Key Club members have been highly active in community service and the well being of their school and town. They participate in things such as School Wide Clean Up, Teacher Appreciation Day, and many more. The Sponser teacher ,Ms. Claudette Coleman. She has led this helpful group of students for five years as a great leader.

We can't wait to see what the future has in store for this bright group of students.

Key Club Members- back row(l-r): Nelsia Knight, Kayla Paschel, Tora Smith, Jira King, Ebony Paschel, Shanise Hudson, Keoisha Hudson, Telana Cottingham, Leah Spangle and Lauren Brantley. Front Row(l-r): Katie Bitz, Amanda Goggins, Jessica Goolsby, and Brittany Simmons.

# MATH SOCIETY

Math Society consist of three teams and one organization: Algebra 2, Algebra 1, geometry and Mu Alpha Theta. These teams were chosen by interest and all over grades. The Algebra 1 & 2 teams competed in many competitions at the start of the new year, and had great success. They mostly met on Tuesday and Thursday afternoons for private practices and most of their mets are held after normal school hours. This is a team of well committed students with great heart and passion devoted primarily to this team. Not only did these students participate in mets but they

held annual tutoring meeting in the library to help out those struggling in math. Mu Alpha Theta is an organization for students who have an 80 average after they have taken Geometry. Only then will they have the opportunity to be a part of this club. The students in Mu Alpha Theta are tapped the year after they have taken Geometry. Each year the team is sure to help out in the community and with the school. This group of students have shown superior academic success and excellent leadership throughout the school.

Treasurer- Leah Spangle

FCCLA is an organization that reaches out to help our community and surrounding communities. The new sponsor is Mrs. Sarah Park. The meetings are usually held on Monday afternoons at 3:15pm and Tuesday mornings at 7:15am. The members of FCCLA participate in various "Cook Offs" throughout the school year. They also do fundraisers to help support different charities. The purpose of FCCLA is to provide opportunities for personal development for the future. It also helps to strengthen the function of a family. Many field trips and activities were planned this year. FCCLA had a great year!

FBLA is a fun-filled, service-oriented organization that allows an individual to experience the business world. FBLA is known as Future Business Leaders of America. In FBLA, we focus on more of the business aspects of life. During various occasions, we do fundraisers to provide help to other charities. We also go on field trips to offer our service to the community. In the month of October they sponsored a "Penny Drive" to go towards the March of Dimes. In the month of November, they hosted a "Can Food Drive" to help many needy families around the area. In December, they will "Adopt a Child" for Christmas and provide various things for them. There are several more community projects they extend their help to, but are all done with the heart of concern.

CHRIST FOR LIFE!!!

FCA is known as Fellowship of Christian Athletes. This organization is targeted at the athletes but is open to everyone to join. FCA is similar to First Priority. It encourages the athletes and other students to "KEEP GOD FIRST" in ALL that they do. Many of the students enjoy FCA because gives them the opportunity to share their feelings as a Christian athlete.

FCA is the largest Christian sports organization in America. It focuses on encouraging people to make a difference for Christ. Many lives have been impacted by FCA.

First Priority is an organization that lets you express yourself as a Christian. First Priority was designed to bring other Christians together and also bring in others that are not Christians so that they may become Christians. Many students do not understand how important it is to have God in their everyday lives.

First Priority plays an important role in encouraging these students, as well as teachers, to believe and trust in GOD. First Priority meets every Thursday at 7:00 in the morning. We usually will open up with a prayer and then go straight into the devotional. Usually, a different student or a guest speaker will present the devotional. The devotional is a short lesson or even just a scripture that is explained. We enjoy worshiping!!!

Front row: Activity Leader-Khaliah S., Head Leader-TiaLeigh S., Back row: Share Leader-Brittani L., Activity Leader-Cloe J., Serve Leader-Justin P., Bless Leader-Barbara C., Prayer Leader-Kim B., Not pictured: Coordinator-Chief Peters

# SPOTLIGHT

Led by Mrs. Anita Glover the Debate team stood strong against their opponents. Debate team is an organized argument where students have to prove their point against one another. Knowledge of material is essential in proving your point and the MHS Debate proved theirs time and time again.

Spotlight members are doing an outstanding job this year. Through this year they have interviewed many students as well as teachers to get their thoughts on many different issues. These issues were another way of spreading the exciting news of Montevallo High School through the two newspapers that have been printed so far.

# MASS COMM

## MHS TV NEWS

Mass communications started out with a great year. In September, the group along with the journalism class traveled to Samford University for a chance to better their knowledge and learned the job opportunities involved with journalism and broadcasting. This year MHS TV News was aired on Fridays during second block keeping everyone updated on current news such as sports, the Christmas parade, weather, new updates in the community, and weekly polls on rival sports with the fans. In Mass Comm, the students must choose a weekly job that they have to fulfill. These jobs include: graphics, audio, floorman, cameraman, weather, opening, anchor, director, producer, reporter, and script writers. As you see due to these jobs there is a lot more than just anchors that make the broadcast, it includes a lot more. Overall the students had fun while learning how to produce a well composed on air production.

LIGHTS  
CAMERA  
ACTION

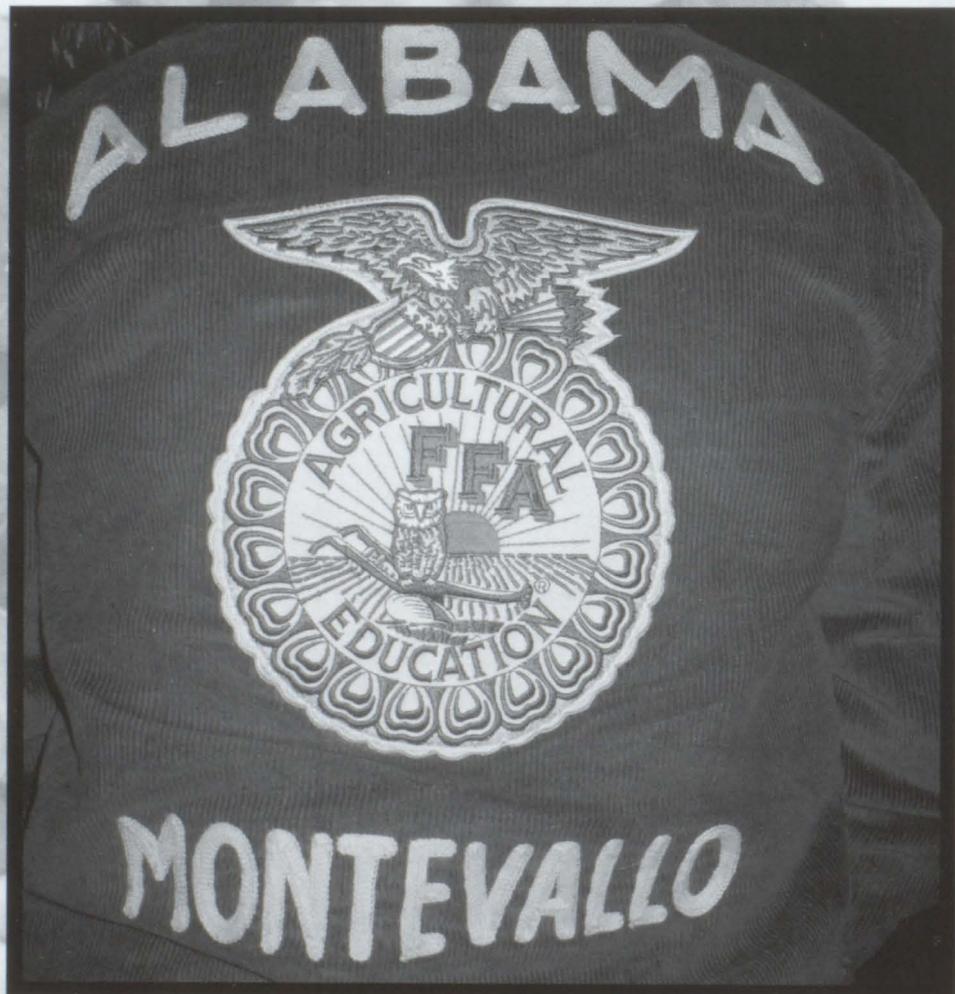

Above: Sophomore Anna Nix is focusing her camera shot on the anchors. This is very vital because without the correct shot the viewers can not see the anchors correctly.

# FFA

The Montevallo High School FFA had an amazing year. It was kicked off by going to the State FFA Convention in June 2007. While there, many Career Development Events took place and competed on the state level. Our very own Parliamentary Procedure team own third place out of six. Our Nursery Landscape team placed fifth out of nine. In July, Mr. Adair took his officer team to Gatlingburg, Tennessee for their annual FFA Officer Retreat. They had a lot of bonding time and planned out the year ahead of them. The chapter also took part in the Shelby County Water Festival in December 2007. There, they taught the youth about how important the water cycle was and how it worked. In February 2008, the chapter held their annual FFA Farm Day. During this time instead of having just one day, they had two days to explain how animals are important to the environment. On day one, Montevallo Elementary School and Montevallo Middle School came to view the animals. Day two was mainly for the community. During this time, we wanted to reach out to the community and thank them for all of there support throughout the year. All in all the Montevallo FFA Chapter had an outstanding year.

This is the Official Dress for Montevallo, Alabama.

This is a prop used for various activities throughout the year such as Homecoming float and Christmas Parade.

# NATIONAL FFA CONVENTION

The Montevallo FFA Chapter traveled to Indianapolis, Indiana for the traveled National FFA Convention.. Adair took 24 members and they had a blast. While there, they got to interact with people from all over the United States. The Montevallo Chapter also received the Star Chapter award. They attended numerous of sessions about leadership and also went to leadership classes. The String Band got invited to perform in front of 40,000 people while there and it turned out great. "This is the best National Convention ever because the chapter received the Three Star award putting us into an elite group nation wide," quoted Mr. Adair.

Junior Keith Lovelady and Senior Taylor Holmes pose for a picture at National Convention.

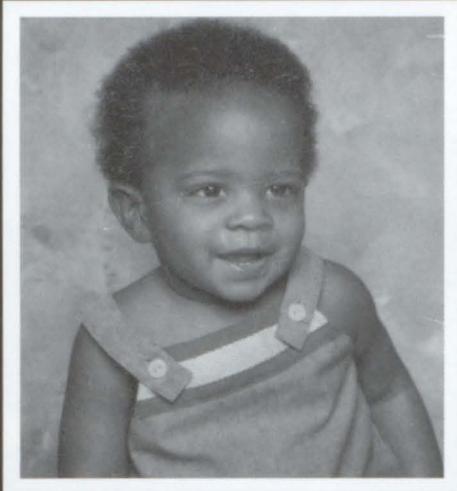

Farm Day is an annual event that the FFA chapter puts on every year. During this time, the FFA members explain to numerous of elementary schools and middle school from all around Shelby County about how important farming is and where their food came from. This year RFD TV came, AD on WZZK, and CBS hosted a special on Farm Day. Everyone also got a t-shirt with a picture fawn on it from a lucky person at Montevallo Elementary School. It was an over all success

Donnie*

“I have said these things to you, that in me you may have peace. In the world you will have tribulation. But take heart; I have overcome the world.”

We love you,  
Mom & Dad

What a joy it has been to watch you mature from a cute little baby girl into a beautiful young lady. You are so loving, caring, and unselfish that we know that you will do great in whatever you undertake. God has truly blessed you with a great attitude toward life and we know He is going to use you to touch many lives on your journey through life. We love you very much and you will always be our baby.

Love,  
Dad & Mom

# Barbara Czeskleba

## Amanda

Congratulations Amanda!  
You made it! We are very  
proud of you and love you  
very much.

Love,

Daddy, Sissy,  
MeMaw and  
Papa

## TIFFANY

We are so proud of you baby girl. 17 years, 6 months and 2 days ago you were born. You were the prettiest, fattest and sweetest little girl a mom could have. You Made It!!! Always be confident in yourself and all that you do.

Love you,  
Mom and Dad

## Paula Davis

Best wishes Paula,  
Enjoy your senior year.

We are so proud  
of you. We love  
you.

Love always,  
Mom and  
Dad, Tim,  
Chris,  
Shea,  
Adam

*Kelly,*

*You are still as beautiful  
as the day you were born.  
It si hard to believe this  
will be your last year in  
high shcool. Make the  
most you have of each  
day and live life as if  
each day were your last.  
Be strong. Be  
successfull. Keep your  
faith.*

**With Montevallo High School**

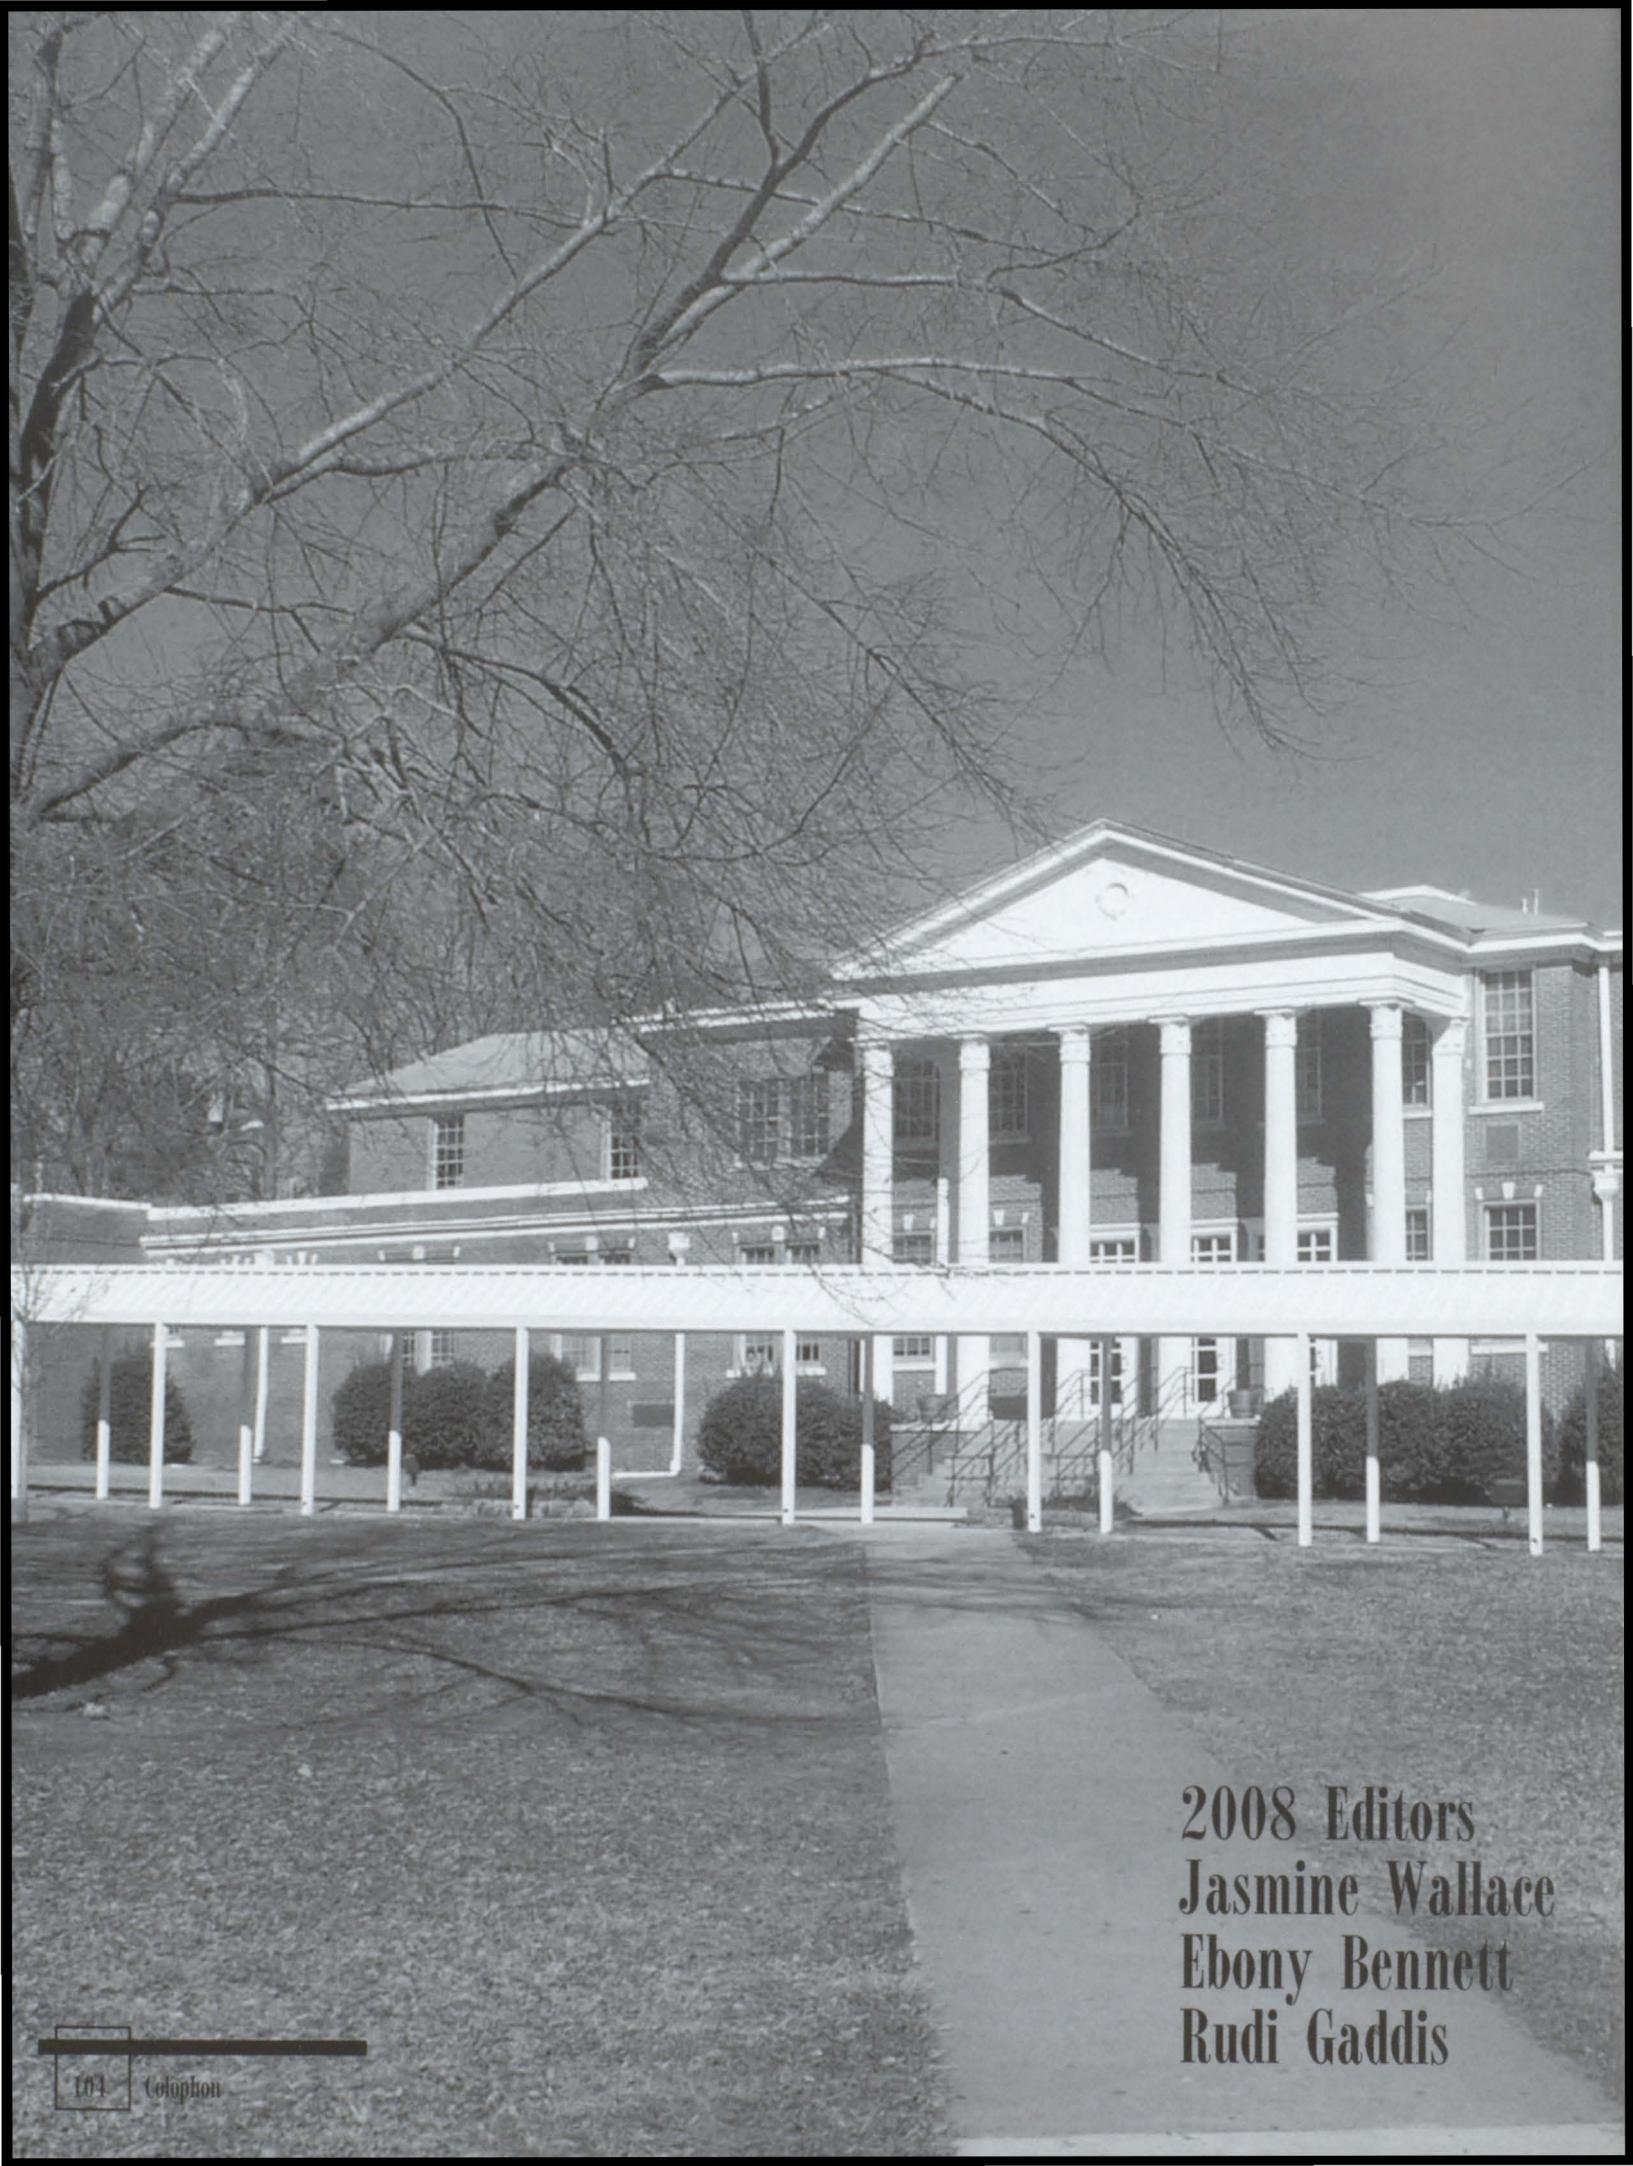

Boo,

You've grown from a darling  
little angel to a beautiful young  
lady. You've made us so very  
proud of you. Remember to  
always keep God in your life  
and you'll go along way.

We love you so much.
